

NOTICE TO ALL PLUMBING PERMIT APPLICANTS

Effective January 1, 2012 Maryland law will require that all pipes, pipe fittings, plumbing fixtures, or fixtures used in the installation or repair of plumbing intended to dispense water for human consumption must comply with the requirements for lead-free materials contained in the Annotated Code of Maryland, Business Occupations and Professions Article, Section 12-605.1 and 12-605.2. If a plumbing permit is required for work, Cecil County will apply this requirement to work performed under the permit where the application date for the plumbing permit is on or after January 1, 2012.
