This application form must be submitted with copies of the approved erosion and sediment control plan and the Stormwater Management Plan. The Grading Permit will not be issued if the Erosion and Sediment Control Plan expires within 90 days of the submittal of this application. The Grading Permit shall be valid for a period of one (1) year from the date of approval. Upon request and adequate justification from the permittee, the Division of Development Plans Review may grant a six (6) month extension. If an extension is granted and work is not completed within the extended time frame, the Grading Permit will expire and the applicant must reapply for a new Grading Permit.
