

**CHAPTER 9 APARTMENT BUILDING & CONDOMINIUM
RECYCLING PROGRAM (ABCR)**

1. Apartment Building and Condominium Recycling (ABCR) Program

Sections 9-1703(b) (12) and (13) of the Environment Article, Annotated Code of Maryland requires that the property owner or manager of an apartment building that contains ten (10) or more dwelling units and the council of unit owners for a condominium that contains ten (10) or more dwelling units (“Responsible Party” or “Responsible Parties”) must provide for the collection and recycling of recyclable materials for their residents by no later than October 1, 2014. In addition, beginning October 1, 2013 Cecil County must develop language describing the apartment building and condominium recycling program and incorporate that language into the Cecil County Recycling Plan.

1.1 ABCR Program, Recyclables Collection, and Marketing of the Materials

- (a) Number of identified apartment buildings and condominiums:
 - i. In cooperation with the Responsible Parties, Cecil County has identified sixty-six apartment buildings and condominiums within the county that contain ten or more dwelling units.

- (b) Cecil County has contacted the owners or managers or council of unit owners of those properties and notified them of the requirements of Sections 9-1703 (b) (12) and (13) of the Environmental Article, Annotated Code of Maryland which includes the following minimum requirements:
 - i. At a minimum, recyclables must include acceptable plastic, metal, and glass containers, and acceptable paper products.
 - ii. All containers, labor, and equipment necessary to collect the recyclables must be provided throughout each building by the responsible party. Distinctive colors or markings are recommended to avoid contamination from wastes. An appropriate quantity of suitably sized containers shall be provided to accommodate the quantity of recyclables generated by the residents based upon the frequency of collection.
 - iii. Each Responsible Party shall collect the recyclables a minimum of once per month and transport them to secondary recycling markets.

1.2 Responsibilities

- (a) Each Responsible Party must develop and implement its recycling program in accordance with the above requirements.

- (b) Each Responsible Party must maintain records of the quantity of recyclables collected and transported for a minimum of three (3) years.
- (c) Each Responsible Party must submit an annual report to the County Recycling Program Manager no later than March 15 of the year following the report year. The report must indicate the quantity of Recyclables and refuse collected and the disposition of the material.
- (d) Cecil County Government's Department of Public Works, Solid Waste Management Division shall share the provisions of this Chapter 9, as approved by the Maryland Department of the Environment, with the Responsible Parties.
- (e) Cecil County Government's Department of Public Works, Solid Waste Management Division shall assist the Responsible Parties with implementation of the ABCR Program by providing templates or examples of the following:
 - i. ABCR Plan for Responsible Parties to use to implement their program.
 - ii. Newsletter template for residents of ABCRs that can be distributed by the Responsible Parties.
 - iii. A flyer or poster template which Responsible Parties can display or distribute to their residents.

1.3 County Commercial Hauler Licensing Requirements

- (a) In order to facilitate the collection, transportation, marketing and reporting of Recyclables, Cecil County may add language to include apartments & condominiums that fall within the scope of Sections 9-1703(b) (12) and (13) of the Environment Article, Annotated Code of Maryland to the definition of residential refuse within Cecil County Code Chapter 285, Refuse Haulers, Commercial.

1.4 Tabulation of Apartments and Condominiums

- (a) Cecil County will maintain a list of apartment buildings and condominiums located within the County which contain ten (10) or more dwelling units. Cecil County will update the ABCR Program plan list at the time of Cecil County's 3-year Plan review.
- (b) List of identified apartment buildings and condominiums:

1.5 Implementation Schedule

On or before July 1, 2014, Cecil County shall distribute a copy of this section of the Cecil County Recycling Plan to each Responsible Party which shall:

- (a) On or before October 1, 2014, develop a written Recycling Program and communicate the program to its residents.
- (b) On or before October 1, 2014 submit their written program to the County Recycling Program Manager (RPM) with copies of educational materials given to residents.
 - a.* Copies of templates of educational materials regarding recycling in apartments and condominiums may be obtained by contacting the Cecil County Solid Waste Management Division or visiting the county website.
 - b.* Educational materials must be handed out to all residents by Responsible Parties at least annually and copies of such materials must be sent to the RPM each year with the annual report.
- (c) On or before October 1, 2014 provide training or assistance to its residents on the recycling program and inform all residents of the date the recycling program will begin.

- (d) On or before October 1, 2014 provide all containers, labor, and equipment necessary to collect the recyclables. A suitable amount of containers, distinctively marked, to avoid contamination shall be provided to accommodate the quantity of recyclables generated by the residents based on frequency of collection which must be at least once per month.
- (e) On or before October 1, 2014 make arrangements to transport collected recyclables to an acceptable recycling facility.
- (f) On or before October 1, 2014 implement its recycling program.

1.6 Program Monitoring

- (a) The Cecil County Department of Public Works, Solid Waste Management Division shall monitor the progress and performance of the apartment buildings and condominium recycling programs in unincorporated areas of the county.
- (b) Those apartment buildings and condominiums in incorporated areas of the county may be monitored by their respective municipalities.
- (c) The County shall have the right to inspect, for compliance, any apartment or condominium building subject to this section of the recycling plan, including inspecting containers and reviewing records regarding the recycling program.
- (d) Each Responsible Party shall conduct inspections, review service levels, investigate and resolve complaints, educate residents regarding recycling program requirements, and perform any other tasks necessary to achieve compliance with its recycling program, and with state and county law.
- (e) The Responsible Parties shall initiate actions to correct all deficiencies within 60 days of being notified by the County.

1.7 Program Enforcement

- (a) Any Responsible Party who violates the provisions of Cecil County Code Chapter 318-7 Part R may be subject to the issuance of a citation by the County and a civil penalty not to exceed \$50 per day for each day that a violation continues.
- (b) A person who receives a citation shall, within 30 calendar days after receiving the citation, either pay the fine to the County or appeal the citation in accordance with Cecil County Code Chapter 318-7 Part R.
- (c) If the citation is not paid timely or appealed, the County may enforce the fine by an action at law.

- (d) In addition to, or in lieu of, the issuance of a citation, the County shall have the right to enforce the provisions of Cecil County Code Chapter 318-7 Part R County Code via an equitable action in a court of competent jurisdiction.
