Clean Water, Healthy Life!

Saturday, June 15, 2019
10:00 a.m. - 2:00 p.m.

Join us, as Charlestown welcomes us for our 10th Annual Wade-In! Come on out to this free event at the Foot Log Park Beach in Charlestown, and pull up your pant legs and wade into the Upper Chesapeake Bay to measure water quality the way retired Maryland State Senator Bernie Fowler did 31 years ago with his “sneaker index”.

Parking is located at Charlestown Elementary with a free shuttle provided by Cecil Transit from the school to the event location.

Call Sean McCandless or Wendy Ingham at (410) 996-5265
for more information. *No reservations needed!*
