

Bra-cycling:

A Reuse & Recycling Program

In observance of Breast Cancer Awareness Month as well as Bra Recycling Month, the Cecil County Department of Public Works, Solid Waste Management Division is beginning permanent Brazer Recycling or Bra-cycling at the Cecil County Central Landfill. Brazers or bras will be collected at the Cecil County Central Landfill located at 758 E. Old Philadelphia Rd., Rt. 7 in Elkton, MD during normal operating hours (7:30 am – 3:30 pm Monday through Saturday).

Background on the Program:

Braziers collected for reuse or recycling are sent to the Bra Recyclers, a textile company, for processing. Usable braziers will be sent out to shelters, including those in Cecil County and other programs in need of this garment type. Cecil County shelters and other organizations in need of these garments can register to receive them at www.brarecycling.com. Braziers deemed unusable for reuse will be recycled.

Types of braziers accepted:

(please wash)

- New & Used Bras
- Maternity Bras
- Underwire
- All shapes, sizes, colors, and types accepted

The Bra-cycling container is pink and located beside the textile recycling bin at the Homeowner Convenience Center Recycling Area
