

Tires

Tires are accepted at all three Solid Waste Management Division Facilities. Residents may bring up to four tires per day to our facilities. Those that haul more than five tires per year must obtain a [Tire Hauler Permit](#) from the [Maryland Department of the Environment](#).

Transfer Stations do not take tires over R17 in size; however. Tires over R17 can be taken to the Cecil County Central Landfill. Tires over size R17 must be off the rim. Tires over R22 must be cut in quarters. All tires are charged a fee; please see the current [fee schedule](#) for rates.
