

Yard Waste Recycling

All yard waste under three inches in diameter is accepted at the Cecil County Central Landfill free of charge. Yard waste can be placed in containers or bags for shipment to the landfill, but must be emptied out at the yard waste area. For more information on Grasscycling and source reduction use this link: [Source Reduction](#)

Morbark Tree Grinder – used to grind brush, logs, and stumps

Wood Recycling Center is Open - Mulch Available for Sale

The wood recycling center is open and accepting yard waste for recycling. Fine mulch is available for sale at the following prices: Pickup-load \$5.00 - Car load \$2.00. The mulch is sold as is and is not treated. Residents must pay before loading mulch and load it themselves with a shovel. There is no guarantee on quality or availability of mulch.
