This application form must be submitted with **THREE** sets of plans signed and sealed by a Maryland registered surveyor or engineer and the completed Final Lot Grading As-Built Plan Review Checklist. All plans submitted to the Development Services Division must be no larger than 22" x 34". The review fee is due at the time of plan submittal. Checks should be made payable to the *Treasures Office of Cecil County*.

If the lot fails its final grading inspection and regrading is required, a revised as-built plan will be required prior to any additional field inspections. The Certificate of Use and/or Occupancy **will not** be issued until the final grading lot as-built plan is approved and the lot passes its final grading inspection.

For DPW Use Only
Date and time plan received by DPW: _____ ☐ Review Fee rec'd rev. 9/09
