October 27, 2010

To the Board of County Commissioners and
The Citizens of Cecil County, Maryland

Pursuant to Maryland state law that requires essentially all local governments' pension plans to prepare a complete set of financial statements presented in conformity with generally accepted accounting principles (GAAP) and audited in accordance with generally accepted auditing standards by a firm of licensed certified public accountants, we hereby issue the Annual Financial Report of The Cecil County Pension Plan for Public Safety Employees (the Plan) for the fiscal year ended June 30, 2010. The Plan is a pension plan of Cecil County. This report is divided into two sections: an Introductory Section including the administrative organization and the letter of transmittal; and a Financial Section including the report of the independent public accountants, management's discussion and analysis, the basic financial statements of the Plan, and certain required supplementary information.

This report consists of management's representations concerning the finances of the Plan. Consequently, the Trustees of the Plan assume responsibility for the completeness and fairness of the presentation, including all disclosures. To provide a reasonable basis for making these representations, the Trustees of the Plan have established a comprehensive internal control framework that is designed to protect the Plan's assets from loss, theft, or misuse and to compile sufficient information for the preparation of the Plan's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the Plan's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The Plan's financial statements have been audited by SB & Company, LLC, a firm of licensed certified public accountants. The goal of the independent audit was to provide reasonable assurance that the financial statements of the Plan as of and for the fiscal year ended June 30, 2010 is free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the

accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unqualified opinion that Cecil County's financial statements for the fiscal year ended June 30, 2010 are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the Financial Section of this report.

GAAP require that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The Plan's MD&A can be found immediately following the report of independent public accountants.

Profile of the Plan

The Cecil County Pension Plan for Public Safety Employees was established effective July 1, 2002 under a plan document and trust agreement enacted by the Board of County Commissioners of Cecil County to provide retirement benefits to certain law enforcement and emergency services personnel. Responsibility for the administration and operation of the Plan is vested in a 9-member Board of Trustees appointed by the Board of Commissioners.

The Plan serves members and beneficiaries totaling 301 as of the last actuarial valuation (page 10). The Plan is a single-employer defined benefit plan that covers all full-time employees on the County's Public Safety Pay Plan hired after June 30, 2002, employees who have opted to convert from the State MPRS Pension Plan to the Plan, and the Cecil County Sheriff. Thus, the Plan covers a majority of the law enforcement officers, correctional officers and professionals of emergency services, of Cecil County, Maryland.

Major Initiatives

Current Year. During fiscal year 2010, the Plan completed the transition from Merrill Lynch as investment manager and Benefits Administration Corporation as administrator to Prudential for both of these functions. The transition was able to save the Plan in investment expense and administrative fees while still providing a net rate of return of 13.66% on investments, which exceeded the assumed actuarial rate of return of 7.50%.

Long Term. With 8 years' operating history to draw upon, the Board of Trustees will continue to review its policies and procedures to ensure the best possible results for Plan participants. The Trustees have authorized the consulting firm Segal Advisors to assist in the coordination and development of policies and operating procedures to improve the efficiency of the administration of the Plan. Following completion of a consultant search, the Trustees plan to enter into an agreement with a qualified consulting firm to perform ongoing investment consulting services for the Plan.

Additions and Deductions from Plan Net Assets

Additions to the assets of \$4,760,675 were comprised of contributions from the County and plan participants of \$2,615,096, net investment earnings of \$196,396, gain on market value of \$1,941,683, and miscellaneous revenue of \$7,500 for fiscal year 2010. Deductions to the assets of \$879,288 include \$739,170 in direct pension payments to participants, \$76,230 return of

contributions and interest to terminated participants and \$63,888 in administrative expenses, resulting in a net increase in assets of \$3,881,387 for fiscal year 2010. The activity for fiscal year 2010 provided sufficient funds to finance the retirement benefits in those respective years.

The Plan was created to provide retirement annuities, survivor benefits, and total and permanent disability benefits to qualified members and their beneficiaries. The cost of such programs includes recurring benefit payments as designated by the Plan, refund of contributions to terminated employees, and the cost of administering the Plan. The total deductions from Plan net assets related to the above programs amounted to \$815,400 in fiscal year 2010. Since its inception in 2002, the Plan has seen annual increases in benefit payments; refunded contributions increased from \$60,236 in fiscal year 2009 to \$76,230 in fiscal year 2010 due to higher salaries related to terminated employees.

Additional information regarding additions and deductions is contained in management's discussion and analysis which begins on page 3.

Investments

Through its plan document, trust documents, policies, and procedures, the Plan has established standards to assure that fiduciaries shall discharge their duties solely in the interest of the Plan participants and beneficiaries and with the degree of diligence, care, and skill which prudent men and women would ordinarily exercise under similar circumstance in a like position. (The general concept is often known as the "prudent person rule.") These standards permit the diversification of investments by the Plan to enable the Plan to reduce overall risk and increase returns.

The Board of Trustees has established an investment policy that allows for the delegation of investment authority to professional investment advisors. The statement of investment policy outlines the responsibility for the investment of the fund and the degree of risk deemed appropriate for the fund. Investment advisors are to execute the investment policy in accordance with the Plan and Trust documents, as well as, Board policy and established guidelines, but can use full discretion within the policy and guidelines. For fiscal year 2010, the return on investments, net of fees, was 13.66%.

Funding

A pension plan is well funded when its assets are equal to or greater than the actuarial accrued liability. The Plan's funding objective is to meet long-term benefit promises through contributions that remain approximately level as a percent of member payroll. The greater the level of funding, the larger the ratio of assets accumulated to the actuarial accrued liability, and the greater the level of investment potential. The actuarial accrued liability and actuarial value of the assets of the Plan as of July 1, 2009, the most recent actuarial valuation, amounted to \$31,813,317 and \$19,775,437, respectively, or 62.2% funded. The previous actuarial valuation showed that the actuarial accrued liability and actuarial value of the assets of the Plan as of July 1, 2007, amounted to \$26,337,765 and \$15,442,512, respectively, or 58.6% funded.

Professional Services

Professional consultants are appointed by the Board of Trustees to perform professional services that are essential to the effective and efficient operation of the Plan. An opinion from the certified public accountant is included in this report. The consultants appointed by the Board of Trustees are listed on page v.

Acknowledgements

The operation of the Plan was made possible by the efforts of the Cecil County Commissioners and other elected officials and department heads, the Trustees of the Plan, the Human Resources staff, the members of the Treasurer's Office, and the cooperation of the members of the Plan. Preparation of the Annual Financial Report on a timely basis was made possible by the dedicated service of the staff of the Cecil County Treasurer's Office.

In closing, the Trustees look forward to serving the members of The Cecil County Pension Plan for Public Safety Employees by providing benefits in their retirement.

Respectfully Submitted,

Craig W. Whiteford

REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Board of County Commissioners and
The Citizens of Cecil County, Maryland

We have audited the accompanying statement of net assets of the Cecil County, Maryland Non-Pension Post Employment Benefits Trust (the Trust), a fiduciary fund of Cecil County, Maryland, as of June 30, 2010, and the related statement of change in net assets for the year then ended. These financial statements are the responsibility of the Trust's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Trust as of June 30, 2010, and the change in its net assets for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis, schedule of funding progress and schedule of employer contributions are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the method of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of the Trust. The introductory section and other supplementary information are presented for the purposes of additional analysis and are not a required part of the basic financial statements. The other supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole. The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

THE CECIL COUNTY PENSION PLAN FOR PUBLIC SAFETY EMPLOYEES

MANAGEMENT'S DISCUSSION AND ANALYSIS

For the Fiscal Year Ended June 30, 2010

The Trustees of the Cecil County Pension Plan for Public Safety Employees are pleased to present to readers of the financial statements of the Plan this narrative overview and analysis of the financial activities of the Plan for the fiscal year ended June 30, 2010.

Financial Highlights

The assets of the Plan exceeded its liabilities at the close of the fiscal year by \$19,457,546 (net assets). As the Plan completed its eighth year of operation, the Plan's net investment income increased from a negative \$2,780,353 in 2009 to a positive \$2,138,079 in 2010 due to an uptick in the market in FY10 and a slight recovery in the economy. Pension benefits to retired participants increased from \$690,015 in 2009 to \$739,170 in 2010. Return of contributions and interest to terminating participants increased from \$60,236 in 2009 to \$76,230 in 2010. As of the last actuarial valuation, June 30, 2009, the Plan had 221 active members, 41 retired participants, 1 disabled participant and 6 terminated vested members not yet receiving benefits.

Overview of the Financial Statements

This discussion and analysis is an introduction to the Plan's basic financial statements. The Plan's basic financial statements are comprised of three components: 1) Statement of Plan Net Assets, 2) Statement of Change in Plan Net Assets, and 3) Notes to the Financial Statements.

The Statement of Plan Net Assets (page 7) presents information on all of the Plan's assets and liabilities, with the difference between the two reported as net assets. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the Plan is improving or deteriorating.

The Statement of Change in Plan Net Assets (page 8) presents information showing how the Plan's net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows.

The Plan is reported as a fiduciary fund of the Cecil County, Maryland, government.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the financial statements. The notes to the financial statements can be found beginning on page 9 of this report.

Required Supplementary Information. The Required Supplementary Information and related notes provide additional information that is essential to a full understanding of the funding progress of the pension plan. The information can be found beginning on page 14 of this report.

Additional information. Other supplementary information is shown on page 16.

Total Liabilities	<u>2,517</u>	<u>4,521</u>	<u>(2,004)</u>	<u>-44.3%</u>
<u>Net Assets</u>				
Held in Trust for Pension Benefits	<u>\$ 19,457,546</u>	<u>\$ 15,576,159</u>	<u>\$ 3,881,387</u>	<u>24.9%</u>

Net Plan assets increased by 24.9% to \$19,457,546. The increase in net assets of \$3,881,387 was primarily made up of the following components: contributions from employer and active participants of \$2,615,096, net investment income of \$2,138,079, benefit and return of contribution payments of \$815,400 and administrative costs of \$63,888.

Changes in Net Assets. A year-to-year comparison of changes of plan net assets is as follows:

	<u>2010</u>	<u>2009</u>	<u>Increase</u> <u>(Decrease)</u> <u>Amount</u>	<u>Increase</u> <u>(Decrease)</u> <u>Percentage</u>
<u>Additions</u>				
Contributions	\$ 2,622,596	\$ 2,557,428	\$ 65,168	2.5%
Net Investment Income (Loss)	2,138,079	(2,780,353)	4,918,432	176.9%
Total Additions	<u>4,760,675</u>	<u>(222,925)</u>	<u>4,983,600</u>	<u>2235.6%</u>
<u>Deductions</u>				
Annuity Benefits	739,170	690,015	49,155	7.1%
Contribution Refunds	76,230	60,236	15,994	26.6%
Administrative Expenses	63,888	61,416	2,472	4.0%
Total Subtractions	<u>879,288</u>	<u>811,667</u>	<u>67,621</u>	<u>8.3%</u>
Changes in Net Assets	<u>\$ 3,881,387</u>	<u>\$ (1,034,592)</u>	<u>\$ 4,915,979</u>	<u>475.2%</u>

The Plan experienced an increase, \$3,881,387, in net assets in fiscal year 2010. Total contributions increased \$65,168 or 2.5% over 2009, which was largely due to an increase of \$44,393 from the County, related to changes in actuarial assumptions. In addition, employee contributions increased \$13,275 mainly due to an increase in active members. The Plan had a gain of \$2,138,079 on investments due to a slight recovery in the economy from the recession of FY09 and an uptick in the market.

The Cecil County Pension Plan for Public Safety Employees Management's Discussion and Analysis, June 30, 2010

The Plan experienced a 4.0% increase in administrative expenses between 2009 and 2010. The increase was mainly due to higher Professional Fees of \$1,353 and Advertising Fees of \$980 as compared to the prior fiscal year. Benefits paid to retirees increased by \$49,155 compared to 2009, which was largely due to new retirees in fiscal year 2010. As of June 30, 2010, the Plan had 47 retirees and beneficiaries receiving benefits, which included 5 new retirees during fiscal year 2010. In addition, there were 20 vested terminations not yet eligible to receive benefits as of June 30, 2010. Contribution refunds of \$76,230 were paid to 9 terminated participants in 2010 versus \$60,236 to 12 terminated participants in 2009.

The Cecil County Pension Plan for Public Safety Employees
Notes to the Financial Statements for the Fiscal Year Ended June 30, 2010

1. Summary of Significant Accounting Policies

The accounting and reporting policies of the Cecil County Pension Plan for Public Safety Employees (the Plan) conform in all material respects to generally accepted accounting principles (GAAP) in the United States as applicable to pension plans sponsored by governmental entities. The Governmental Accounting Standards Board (GASB) is the standard setting body for establishing governmental accounting and financial reporting principles, which are primarily set forth in the GASB's Codification of Governmental Accounting and Financial Reporting Standards (GASB Codification). The Plan has adopted all GASB Statements through No. 59. The following summarizes the Plan's significant accounting policies:

Financial Reporting Entity

The Cecil County Pension Plan for Public Safety Employees was established effective July 1, 2002, under a plan document and trust agreement enacted by the Cecil County Board of Commissioners to provide retirement benefits to certain law enforcement and emergency services personnel. The Plan is a single-employer public employee defined benefit pension plan. Responsibility for the administration and operation of the Plan is vested in a 9-member Board of Trustees appointed by the Board of Commissioners. The County's Human Resources Department and Treasurer's Office provide professional and accounting services as needed.

Although the Plan is a legally separate entity, the County appoints all members of the Plan's Board of Trustees and makes all employer contributions to the Plan. Only County public safety employees can be members of the Plan and the County is financially responsible for the Plan's pension obligations. The Plan is a blended component unit of Cecil County, Maryland, because it provides services and benefits exclusively to the County.

Additional copies of this annual financial statement and actuarial information are available from the Cecil County Department of Human Resources, 200 Chesapeake Blvd., Elkton, Maryland 21921.

Basis of Accounting

The Plan's financial statements are prepared using the accrual basis of accounting. Plan member contributions are recognized in the period in which the contributions are due. Employer contributions to the Plan are recognized when due and the employer has made a formal commitment to provide the contributions. Benefits and refunds of contributions are recognized when due and payable in accordance with the terms of the Plan.

Investments

Investments are reported at fair value. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates. For fixed income securities, fair value may be based on quoted market prices.

The pension plan is authorized by the Plan and a trust agreement with the Board of County Commissioners of Cecil County to establish an investment policy and invest long-term to pay benefits to plan members. The investment policy allocates investments between 1) large, mid and small capitalization stocks, and international equities traded on national exchanges; 2) fixed income domestic debt securities traded on national exchanges; and 3) cash equivalents (deposits or short-

term investments maturing within a year). Certain investments are prohibited. Specific allocation targets are reviewed annually.

2. Plan Membership

Membership of the Plan consisted of the following at July 1, 2009, the date of the latest actuarial valuation.

Retirees and Beneficiaries receiving Benefits	41
Disabled & Disabled Beneficiaries	1
Vested Terminations not yet eligible to receive benefits	6
Terminated Plan members non-vested and due a return of contribution	32
Active Plan Members	<u>221</u>
Total	<u>301</u>

3. Plan Description Summary

The following summary description does not replace any Plan documents.

Plan Description and Eligibility: The Plan is a single-employer defined benefit plan that covers all full-time employees on the County's Public Safety Pay Plan hired after June 30, 2002, employees who have opted to convert from the State MPRS Pension Plan to the Plan, and the Cecil County Sheriff.

Service Benefits: Monthly income for life is based on 2.0% of average annual compensation multiplied by years of service, not to exceed 25 years, divided by 12. Average annual compensation is one third of the compensation of the covered employee during whatever period of 36 consecutive months of creditable service will provide the largest total compensation for any such period.

Vesting: 100% with 5 or more years of eligible service. Contributions are refunded upon termination for less than 5 years of service with interest of 5% on accumulated contributions.

Retirement: Normal – First of the month coincident with or immediately following the earlier of 25 years of eligible service or attainment of age 55 with 5 years of eligible service. Early – with 20 years of eligible service regardless of age, the normal retirement benefit is reduced by 6% per year for each year prior to the normal retirement date.

Disability Benefits: Benefit for ordinary disability is based on years of creditable service. Benefit for disability occurring in the line of duty is a monthly payment of 66.67% of average annual compensation reduced by any social security and worker's compensation benefits; there is no minimum service requirement. Applications are reviewed by a disability review board.

Survivor Benefit: Various depending on the option of the participant.

Death Benefit: Ordinary – After one year of creditable service, the surviving spouse shall receive a lump sum equal to participant's contributions plus interest plus one year of pay. Line of duty – has no eligibility requirement and a monthly benefit is paid to the surviving spouse (for life) or, if there is

**The Cecil County Pension Plan for Public Safety Employees
Notes to the Financial Statements for the Fiscal Year Ended June 30, 2010**

no surviving spouse, to minor children (until maturity). In the absence of a surviving spouse or minor children, benefits calculated as if ordinary will be paid to a named beneficiary or, lacking this, to the estate of the participant.

4. Contributions

Plan members are required to contribute 8% of the base compensation. Base compensation excludes overtime, extra-remuneration, reimbursed expenses, and essentially excludes tax related adjustments.

Cecil County as the employer is required to make actuarially determined annual contribution amounts.

This Plan is the successor to a plan offered by the State Retirement and Pensions System of Maryland (the State Plan). As such, assets related to participants of the State Plan who opted to become participants of the new plan were transferred to the Plan in several transactions during fiscal years 2003 and 2004.

5. Funded Status and Funding Progress

The funded status of the plan as of June 30, 2009, the most recent actuarial valuation date, is as follows:

Actuarial Valuation Date <u>June 30</u>	Actuarial Value of Assets <u>(a)</u>	Actuarial Accrued Liability (AAL) - Projected Unit Cost Method <u>(b)</u>	Unfunded AAL (UAAL) <u>(b-a)</u>	Funded Ratio <u>(a/b)</u>	Covered Payroll <u>(c)</u>	UAAL as a Percentage of Covered Payroll <u>((b-a)/c)</u>
2009	\$ 19,775,437	\$ 31,813,317	\$ 12,037,880	62.2%	\$ 10,405,176	115.7%

A schedule of funding progress showing multi-year trend information about whether the actuarial values of plan assets are increasing or decreasing over time relative to the AAL for benefits is presented as required supplementary information (RSI) on page 14.

Additional information as of the latest actuarial valuation follows:

Valuation date	June 30, 2009
Actuarial cost method	Projected Unit Cost Method
Amortization method	Level percentage - closed
Asset valuation method	5 year smoothed market value
Actuarial assumptions:	
Investment rate of return	7.5% compounded annually
Projected salary increases	11.0% for first five years of service, 10.0% annually for the next five years, and 5.75% annually thereafter
Cost of living adjustments	3.0% annually

**The Cecil County Pension Plan for Public Safety Employees
Notes to the Financial Statements for the Fiscal Year Ended June 30, 2010**

Due to Plan changes and assumptions which resulted in additional liability, the remaining amortization period has been adjusted. Below is the latest actuarial schedule as July 1, 2009:

Original unfunded liability	22 years
Plan change	27 years
Assumption change	13 years
Actuarial (gain)/loss	15 years

Prudential Investment Management - Fixed Income Domestic	5,800,333
Total Institutional Separate Accounts	\$ 19,341,024

Interest Rate Risk: The Plan's formal investment policy does not limit investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Credit Risk: The Plan's investment policy applies the prudent person rule to its investments. The Plan invests in institutional separate accounts, which are essentially mutual funds. This sub-advised approach provides the Plan with access to some of the most respected investment professionals in the industry. The investment policy establishes an asset allocation by asset class where allowable ranges are identified by asset class. Rebalancing is performed on at least a quarterly basis, as appropriate, such that the allocation for each asset class shall not exceed the bounds of the allowable ranges. As of June 30, 2010, the Plan complied with the Plan's investment policy.

Credit Risk. No rating was available for the money market mutual fund. The institutional separate accounts were rated by Morning Star if the fund had at least five years of history. If the fund had less than five years of history, a peer group ranking was used to classify how the fund performed against other funds similar in nature. The Plan holds eight separate accounts. Six of the eight separate accounts were rated by Morning Star of which two received a 4 star rating, three received a 3 star rating and one account received a 1 star rating, with 5 being the best and 1 being the worst. The remaining two separate accounts were rated using the peer group ranking (one of these accounts received a quartile rank of 1 and one account received a quartile rank of 2, with 1 being the best and 4 being the worst).
