1. Cages permit each animal to:
 

- stand normally to its full height	- turn around easily	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
- lie down in full extended position	- permit human interaction	

---

2. Cages and enclosures are not overcrowded A  NI  U

---

3. Cages and enclosures are constructed of a nonporous material for ease in cleansing and disinfecting A  NI  U

---

4. Functioning heater for the building(s) A  NI  U

---

5. Functioning air conditioner for the building(s) A  NI  U

6.	Effects of direct sunlight prevented	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
7.	Adequate lighting in all areas	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
8.	Roofs and ceilings maintained in a good state of repair	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
9.	Doors, windows and frames are constructed and maintained to prevent entrance or harboring of vermin or insects or the escape of animals housed in the facility	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
10.	Floors constructed of hard durable material that is impervious to water for easy sanitation	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
11.	Floors and walls built in such a manner that feces and urine are prevented from entering other enclosures or cages	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
12.	Cages and enclosures prevent animals from escaping and entering other animals enclosures	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
13.	Provision made to keep the air temperature reasonable for the types and breeds of animals housed	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
14.	Air and space is appropriate for the type of animal	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
15.	Temperatures of all enclosures maintained at a level suitable for the animal contained therein	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
16.	All suspended cage floor mesh or screen-type material have at least one-half (1/2) of the mesh surface covered with a removable, flat, nonporous material in place for all occupied cages, unless that material is being cleaned and disinfected at time of inspection	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
17.	Animals are correctly identified and labeled	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
18.	At least one door or opening of enclosures is of sufficient size to allow for equipment to be removed for sanitation if removal is necessary	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
19.	Sufficient clean, dry bedding provided to meet the needs of each animal	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
20.	Every bird is in a clean cage with sufficient room to allow the bird to sit upon a perch	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
21.	Large birds placed in separate cages from smaller birds	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
22.	Fish contained in clean, algae-free tanks, with the exception of the species of fish that needs algae to survive in its environment	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
23.	Water temperature of fish tanks maintained at a constant, healthful level	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
24.	Tanks are free of dead fish	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
<b>Feeding:</b>		
25.	Food/prey/plants and proper drink for each species is available, properly prepared/fed, and served	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
26.	Mammals are provided nutritious food in sufficient quantity and proper drink for the type of animal every day of the week, including Sundays and holidays	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
27.	Records indicate all mammals under three (3) months of age are fed at least three (3) times per day	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>
28.	Fresh water available to all animals and water containers are mounted so that the animal cannot readily turn them over and appear to be removable for cleaning	A <input type="checkbox"/> NI <input type="checkbox"/> U <input type="checkbox"/>

29. Food appears to be served in clean containers, and mounted so that the animal cannot readily tip them over or defecate or urinate in them A  NI  U
30. Food stored in vermin proof containers and properly marked A  NI  U

### **Health, Veterinary Care**

31. Animals appear well fed and hydrated A  NI  U
32. Program of current veterinary care A  NI  U   
Yes  No
33. All Health Department requirements are met if selling psittacine birds Yes  No
34. Health certificates available for all canines, felines and birds. A  NI  U   
Yes  No
