INFORMATIONAL ITEMS

• General Update – Per Director Van Dyke, A 51 team girl’s lacrosse tournament was held on 11/5 at Calvert Regional Park with an impact of $15,600 to the general fund. The restaurants in the area reported being full and seeing kid’s in lacrosse uniforms. On 11/19, the Cecil Soccer League played at Calvert and used the synthetic turf and front 2 fields. At Calvert Regional Park two weeks ago, 450’ feet of copper wire was stolen from the ground boxes around the lights for the synthetic turf field. We are receiving quotes for replacement wiring as well as locking concrete boxes with security hex bolts to deter future thefts. The flag poles are being installed at Calvert next week. There was a delay with the shipping and delivery of the poles, but they are now in and will be installed near the basketball court. Engineering of Phase II of Calvert is ahead of schedule and we are currently in the concept phase. We are looking at up to 7 possible tournaments for 2017/2018. These tournaments could generate up to $180,000.

• Board Members George Raley, Steve Minor – Plaques were presented to Steve Minor and George Raley for their service to the Parks Board. Their dedication and efforts over the years have helped Parks and Recreation continue to move forward.

ACTION ITEM

• County Park Tobacco Policy – Per Director Van Dyke, 8 Counties have banned tobacco in any form, 14 Counties have restrictions, and only 2 Counties have no restrictions in place. Cecil County Public Schools currently has a Tobacco Free policy in place. Harford County has a total ban on smoking on any county property including parks. With our parks signs promoting healthy lifestyles, we believe the issue needs to be addressed. We have received some complaints regarding smoking in our parks.

  Motion: The Board recommends Parks and Recreation draft a policy to prohibit smoking in parks.
  First:  Steve Minor
  Second:  George Raley

  Motion passed unanimously.
