

# Cecil County Watershed Stewards Academy

- \* Want to help improve local water quality?
- \* Want to be a leader in your community?
- \* Is there a drainage problem in your neighborhood that you want to learn how to fix?

If you answered YES to any of these questions, then take a few minutes and learn about participating in the next class of the Cecil County Watershed Stewards Academy.

*The next class is forming now and space is limited.*

*Call or email to learn how you can become part of the solution.*

Cecil County Watershed Stewards Academy website is <https://go.umd.edu/UGt>

*Educators who successfully graduate and continue their participation in the program are eligible for 5 MSDE CPD credits.*

For more information contact Marshall McSorley, Cecil County Public Works Stormwater Management Division, at (410) 996-5267 or [mmcsorley@ccgov.org](mailto:mmcsorley@ccgov.org).
