Vision (Aspirations)
Cecil County Government shall strive to be stewards of the public trust and to protect the public health, safety, and welfare of its' citizens, while recognizing that the chief function of local government at all times is to serve the best interests of all the people in Cecil County.

Mission (Function/Purpose)
The mission of Cecil County Government is to deliver essential services to our communities and citizens that ensure the opportunity to maintain and enhance the County's heritage, environment, and quality of life. Cecil County Government elected officials and employees are stewards of the public's trust and are engaged in the business of public service.
“Sample” Values

Prosperity
We are committed to enriching the quality of life of the County’s citizens through equitable, diverse, and inclusive philosophies and practices.

Leadership
We will engage, motivate, and inspire others to collaboratively achieve common goals through example, vision, and commitment.

Effective Communication
We will create opportunities for open and effective communication and connection with our communities, residents, and taxpayers.

Accountability
We will be responsive and transparent to the public in our roles, functions, and actions.

Sustainability
We will build the capacity to endure the long-term maintenance of the County’s well being, where social, cultural, health-related, and financial aspects are integrated, and install flexible, proactive approaches to changing situations and environments.

Efficiency
We will deliver the highest quality of services at the best possible value.

**Strategic Priorities**

**Purpose** - To establish overarching framework to advance the vision and mission of the organization through future oriented actions.

**Outcomes** - Establish effectiveness measures within the plan that promote strategic priorities.

**Critical Questions** -
- Do these reflect the current needs of Cecil County?
- Are these realistic and achievable within five years?
- Are these attached to objectives that lead to measurable results?

PART 3
Implementing the Plan
Planning & Implementation Pitfalls

- Too much or little data
- Limited input
- Limited ownership
- Strategy development without justification
- Fail to integrate planning at all levels
- Fail to make tough decisions
- Neglect to benchmark, measure, and change

The “PLAN” is not the end point, it is the beginning!
Strategic Planning at Every Level

Strategic Plan

- Infrastructure
- Job Creation & Econ. Dev.
- Safe Communities
- Education

Unit Support linked to Strategic Priorities

- Planning & Land Use
- Economic Development
- Public Health
- Public Safety
- CCPS, CCPL & Cecil College

Employee Goals & Performance Plans
**Budget Development Priorities**

- Fund maintenance-of-effort for all mandatory functions (Base Budget)
- Fund mandates, compliance, and grant requirements (Base Budget)
- Fund County initiatives that demonstrate a direct link to the strategic plan (Discretionary Budget)
Agency requests should align with strategic priorities and objectives (in part)

Measurable results should demonstrate effective use of public funds

Priority consideration for funding requests that advance the Strategic Plan
